

## **MEDICAL ONCOLOGY, APP POSITION WALKER FAMILY CANCER CENTER & NIAGARA HEALTH**

Niagara Health seeks a highly motivated physician with a passion for providing the highest quality care to join the Department of Oncology as a medical oncologist. The selected candidate would practice at Walker Family Cancer Centre and Niagara Health, joining a group of 12 medical oncologists and malignant hematologists, as well as radiation oncologists, palliative care team members and benign hematologists. The selected candidate will have a proven track record of innovation and for providing exemplary care.

Niagara Health is a regional healthcare provider with multiple sites and a growing network of community-based services. Our team consists of more than 4,800 employees, 600 physicians and 850 volunteers who we count on to deliver extraordinary caring to every person, every time.

We provide a wide range of inpatient and outpatient services to more than 450,000 residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care and Surgical Care.

Our Accreditation with Exemplary Standing is a clear demonstration of our team's commitment to the highest safety and quality standards. As a community-based academic centre, teaching and learning, research, innovation and partnership are propelling us as we imagine a healthier Niagara.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara to provide accessible and quality healthcare to residents of the Southern Region. Niagara Health is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for the NH as the organization builds on a robust relationship with McMaster University's Michael G. DeGroote School of Medicine.
